COMMITTEE ON DOCUMENTATION**

**Planning CODIB Attendance
at IFIP Congress 62**

1. Our meeting on 19 April included discussion of CODIB attendance at the International Federation of Information Processing Congress to be held in Munich in late August (CODIB-M-40, 27 April 62, para. 7).
2. In looking over the registration material, I now believe that each individual not only should arrange for his own transportation, but should make his own hotel reservations as well.
3. Attached are notes of interest and, for those who indicated a special interest*, a copy of the announcement (which includes forms for Registration and for making hotel reservations. Note that the registration fee is 60 German Marks if paid before 15 June /80 thereafter/).

NOTES RE IFIP CONGRESS 62

Event: IFIP Congress 62, sponsored by the International Federation of Information Processing Societies (IFIP). American participation is through the American Federation of Information Processing Societies (AFIPS), formally known as the National Joint Computer Committee of the Association for Computing Machinery (ACM), the American Institute of Electrical Engineers (AIEE) and the Institute of Radio Engineers (IRE).

Date: August 27 through September 1, 1962.

Place: Munich, Germany
Technische Hochschule and the
Ausstellungspark (Exhibition Ground).

Participation: Representatives from the USIB Committee on Documentation, about ten (10) in all. Agency representation will probably include AD/CR; Chief, CIA ADP Staff; Director/SCIPS; and Secretary, CODIB. Others will come from some of the following: DIA, NSA, State, NBS, NSF, Army, Navy, Air Force.

Aspects of Special Interest to CODIB:

- . Real time information processing
- . Information retrieval
- . Linguistic analysis and MT
- . Digital communication
- . Artificial perception
- . Programming languages
- . Equipment
- . Data reduction
- . Coding theory
- . Artificial intelligence

Limited Distribution

Post Conference Activity: The Group plans to spend one day being briefed by the intelligence component of the U.S. Army in Heidelberg; and one day by the Air Force in Wiesbaden.

Unofficial activity: Some members of the Group may want to take some annual leave either before or after the Conference.

Arrangements: Each participant is expected to make his own travel arrangements and his own hotel reservations, and to provide his own cover, in keeping with the policies of his own department or agency.

**UNITED STATES INTELLIGENCE BOARD
COMMITTEE ON DOCUMENTATION**

MEMORANDUM FOR: Chairman, COMINT Committee

SUBJECT: Automatic Data Processing

REFERENCES:

- a. DCID 1/4 (New Series) 26 June 1959
- b. DCID 6/1 (New Series) 21 October 1958
- c. USIB-CC-13.1/36, 12 January 1962
- d. CODIB-M-39, para. 7, 23 February 1961
- e. USIB-D-39.7/3, 23 February 1962

1. On 23 February, the USIB approved the CODIB proposed plan for conducting a Community Information processing study (reference e). As you know, the study has from the outset been planned as an all-source effort (Enclosure to USIB-D-39.7/1, para. 5, 24 July 1961).

2. In view of our directive from USIB to proceed with the study, as well as the specifics of the CODIB charter (reference a), it would appear unwise for the COMINT Committee to proceed along the lines set forth in the Air Force proposal (reference g).

3. We are in full accord with your desires to make progress in the problem areas discussed in the proposal. We do urge, however, that this be done within the framework of the Community study. By working together we can both help each other.

4. I suggest that you designate someone to discuss this matter with

Director, SCIPS, who may be reached on

5. I further extend to you an invitation for a representative from your Committee to meet with CODIB anytime that you identify an item of interest on our agenda. To facilitate this I have instructed the CODIB Secretary to place you on our distribution.

6. It goes without saying that we would be pleased to meet with you or your Committee to explore any aspect of this coordination problem.

Paul A. Borel
